Save A Stray

Please fill out application completely. We consider an animal a pet for life and want to help you find the animal compatible with your lifestyle. This animal's welfare must be our foremost consideration. Filling out a questionnaire or visiting a foster home does not guarantee that you will be the

person selected to adopt that animal. Save A Stray has the right to decide to whom the animal will be adopted. We encourage a "think it over period" in which we want you to see the animal, return home and think if over for at least 24 hours.
